KCHA TRANSITIONS TO NEW HUD NSPIRE INSPECTION STANDARDS

Effective October 1, 2024, all rental units assisted by housing choice voucher funds will be inspected using the new NSPIRE (National Standards for the Physical Inspection of Real Estate) Standards. Further communication detailing what these upcoming changes look like will be sent across to all housing providers.

Stay tuned for more information!

If you are interested in learning more about NSPIRE, below are resource links directly to HUD's NSPIRE website. Thank you for your partnership.
