WHEREAS, the Housing Authority of the County of King (the “Authority”) seeks to encourage the provision of long-term housing for low-income persons residing within King County, Washington (the “County”); and

WHEREAS, RCW 35.82.070(18) provides that a housing authority may, among other things and if certain conditions are met, “make . . . loans for the acquisition, construction, reconstruction, rehabilitation, improvement, leasing or refinancing of land, buildings, or developments for housing for persons of low income”; and

WHEREAS, Downtown Action to Save Housing has requested that the Authority issue and sell its revenue bonds for the purpose of assisting the Borrower in financing the Project; and

WHEREAS, the Authority desires to provide such assistance; and

WHEREAS, Treasury Regulations Section 1.103-8(a)(5) requires that, in order for expenditures for an exempt facility that are made before the issue date of bonds issued to provide financing for that facility to qualify for tax-exempt financing, the issuer must declare an official intent under Treasury Regulations Section 1.150-2 to reimburse any such expenditures from the proceeds of those bonds, and one of the purposes of this resolution is to satisfy the requirements of such regulations; NOW, THEREFORE,

BE IT RESOLVED BY THE BOARD OF COMMISSIONERS OF THE HOUSING AUTHORITY OF THE COUNTY OF KING, as follows:

Section 1. To assist in the financing of the Project, with the public benefits resulting therefrom, the Authority declares its intention, subject to the conditions and terms set forth herein, to issue and sell its revenue bonds or other obligations (the "Bonds") in a principal amount of not to exceed \$7,600,000 and to reimburse the Borrower, from proceeds of the Bonds, for expenditures for the Project made by the Borrower before the issue date of the Bonds.

Section 2. The proceeds of the Bonds will be used to assist in financing the Project and to pay all or part of the costs incident to the authorization, sale, issuance and delivery of the Bonds.

Section 3. The Bonds will be payable solely from the revenues derived as a result of the Project financed by the Bonds, including, without limitation, amounts received under the terms of any financing document or by reason of any additional security furnished by or on behalf of the Borrower in connection with the financing of the Project, as specified by resolution of the Board of Commissioners of the Authority. The Bonds shall bear such rate or rates of interest, payable at such

times, shall mature at such time or times, in such amount or amounts, shall have such security, and shall contain such other terms, conditions and covenants as shall later be provided by resolution of the Board of Commissioners of the Authority.

Section 4. The Bonds shall be issued subject to the conditions that (a) the Authority, the Borrower and the purchaser of the Bonds shall have first agreed to mutually acceptable terms for the Bonds and the sale and delivery thereof and mutually acceptable terms and conditions of the loan or other agreement for the Project, and (b) all governmental approvals and certifications and findings required by laws applicable to the Bonds first shall have been obtained.

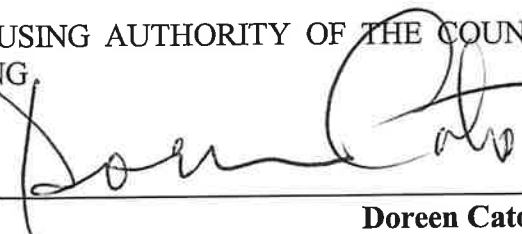

Section 5. For purposes of applicable Treasury Regulations, the Borrower is authorized to commence financing of the Project and advance such funds as may be necessary therefor, subject to reimbursement for all expenditures to the extent provided herein out of proceeds, if any, of the issue of Bonds authorized herein. However, the passage of this resolution does not constitute a guarantee that the Bonds will be issued or that the Project will be financed as described herein, or an endorsement of the Project by the Authority. The Board of Commissioners of the Authority shall have the absolute right to rescind this resolution at any time if it determines in its sole judgment that the risks associated with the issuance of the Bonds are unacceptable.

Section 6. It is intended that this resolution shall constitute a declaration of official intent to reimburse expenditures for the Project made before the issue date of the Bonds from proceeds of the Bonds, for the purposes of Treasury Regulations Sections 1.103-8(a)(5) and 1.150-2.
