

THE HOUSING AUTHORITY OF THE COUNTY OF KING

RESOLUTION NO. 5339

ADOPTION OF KCHA'S RESOURCE MANAGEMENT PLAN

WHEREAS the Federal Government has established a national energy policy designed to promote dependable, affordable and environmentally sound production and distribution of energy for the future; and

WHEREAS the US Department of Housing and Urban Development (HUD) actively supports resource conservation efforts throughout the nation through various programs and written guidance; and

WHEREAS Resolution No. 5005, Commitment to Sustainable Communities through Excellent in Environmental Stewardship, was adopted by the Board of Commissioners on May 8, 2005 and states that the Authority is committed to reducing the environmental impact of its operations and to creating environmentally sustainable communities as part of its core mission; and

WHEREAS the Housing Authority is committed to reducing the cost of its operations wherever appropriate; and

WHEREAS the Conservation Standards for Administrative Offices and the Conservation Standards for Facility Design and Operation were established on October 7, 2010 and outline best practices for resource conservation and reducing utility costs; and

WHEREAS the Authority wishes to have a consistent, aggressive long term plan for reducing its impact on the environment;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COMMISSIONERS OF THE HOUSING AUTHORITY OF THE COUNTY OF KING:

1. The Housing Authority of the County of King adopts the 2011-2016 Resource Management Plan and conservation targets as appended to this Resolution

ADOPTED AT A SPECIAL MEETING OF THE BOARD OF COMMISSIONERS OF THE HOUSING AUTHORITY OF THE COUNTY OF KING THIS 10th DAY OF August, 2011.
