- During the Pre-Proposal Conference, while reviewing Attachment J – Pricing Sheet, we discovered a missing page for Labor Rates and Additional Costs and Fees. This page is being inserted as Page 1 of 3 of Attachment J – Pricing Sheet. **Please see attached.** It is a proposal submission requirement.

Q: I don't see a list of facilities or a schedule of systems / equipment in the RFP docs. Will this information be provided to prospective bidders?

A: *Please **see the attached** list labeled “KCHA – Fire and Life Safety – Site/equip list”.*

Q: It would also be beneficial to have a copy of the most recent inspection report for each facility. Will this information be provided to prospective bidders?

A: *While we cannot guarantee it, we will do our best to provide this information prior to awarding the contract.*

Q: In our planned proposal we will be pricing materials as of today’s rate. However, in the current volatile market, how will the King County Housing Authority respond to escalations or de-escalations in pricing?

A: *“It is expected that bidders will anticipate changing market conditions in their bid pricing. However, in general, contracts could allow for pricing review at reasonable intervals.”*
