YOUNG ADULT PROSPERITY PROGRAM (YAPP) RFP
ADDENDUM ONE, QUESTIONS AND ANSWERS
MONDAY, FEBRUARY 12, 2023

THIS ADDENDUM RESPONDS TO QUESTIONS THAT DIRECTLY RELATE TO THE RFP AND ITS REQUIREMENTS. IF AN APPLICANT MOVES FORWARD TO THE INTERVIEW PHASE, ADDITIONAL QUESTIONS MAY BE ASKED AT THAT TIME.

Please note, the deadline for the RFP remains the same: February 15, 2024 at 3:00 Pacific Standard Time (PST).

- Question:** “We were just curious if you were imagining contracting with one consultant to hit all these program strategies or if partnering with others would be of interest your program?”

Answer: A decision has not been made yet whether to award the contract to one or multiple agencies. According to the Request for Proposals document in the RFP packet, Section G states in part that KCHA reserves the right to award the contract to one contractor or a number of contractors. A final judgement will be made following the RFP evaluation process. If a chosen contractor uses a subcontractor, any subcontractor shall include contractor as additional insured under its policies, per Section L of the Request for Proposals document.
