## Weather Safety

King County has simple steps to help you get ready for emergencies like earthquakes, floods, winter storms, and power outages. Their website shows you how to:

- **Make a family plan** so everyone knows what to do
- **Build an emergency kit** with food, water, and supplies
- **Sign up for alerts** so you get important information quickly
- **Learn safety tips** for your home, workplace, and neighborhood

You can also download a free [Get Ready workbook](#) that walks you through each step. Being prepared helps keep you and your family safe. It also makes it easier to stay calm and connected if something unexpected happens. You can find all the tips and tools on King County's Emergency Preparedness webpage.

## Energy Bill Assistance

**Need help paying your energy bill? Hopelink can help.**

Hopelink offers money to help with heat and electricity. Most households can get **\$200 to \$1,250** once each year. This money can lower your bill, stop a shut-off, or help pay for oil, wood, or propane.

If you get your power from Puget Sound Energy, you may also get a **monthly discount** and help with past-due bills.

**How to apply:**

- New appointments open **every Monday at 9 AM.**
- If you have a shut-off notice or less than 10 days of heating fuel, you may get a faster "crisis" appointment.

This program helps keep your home warm and safe. It can also free up money for food, rent, and other needs. You can learn more or make an appointment on Hopelink's Energy Program webpage.
