## NOTICE TO APPLICANTS/PARTICIPANTS WITH DISABILITIES REGARDING REASONABLE ACCOMMODATION

The King County Housing Authority (KCHA) is committed to providing accommodations to persons with disabilities to help ensure that their living arrangements are comparable to those of other Section 8 participants. Accommodations must be reasonable, meaning they cannot cause either undue financial or administrative burden, or a fundamental alteration in the nature of KCHA's programs.

Reasonable accommodation requests may be made in any manner that is convenient, including written or verbal, to any Section 8 Sr. Housing Specialist and/or Section 8 supervisors and managers. Although not required, requests made in writing will simplify processing and will help avoid misunderstandings. KCHA's request for accommodation forms are designed to assist Section 8 participants. If you do not or cannot use, the attached forms, KCHA will still respond to your request for an accommodation.

Requests for reasonable accommodations will be considered on a case-by-case basis because people with the same disability may not need or desire the same type of accommodation.

If you make a reasonable accommodation request, KCHA may request reliable documentation (not medical records) that you have a disability and verification of the need for the particular accommodation(s). KCHA will not ask questions about the nature or severity of the disability except as specifically related to the requested accommodation. The type of verification you will need to provide depends on the specifics of the situation. The verification may be provided by any third party provider familiar with your disability on forms that the Housing Authority provides or in a separate note/letter. A signed release of information may be helpful in clarifying needs with your provider, but such a release is not required.

You may request assistance with completing the attached forms or ask that the forms be provided in an equally effective format or means of communication, such as:

- Qualified interpreters
- Use of Telecommunications Relay Services
- Large print materials

- Qualified readers
- Taped text audio recording
- Braille materials

While most decisions are made in less time, we will make every effort to render a decision within forty-five (45) calendar days.

Dear Professional:
is an applicant for either admission to, or continued occupancy in, our King County Housing Authority Section 8 Federal Housing Assistance program. They have indicated that they or a family member have a disability that requires an accommodation.
Federal laws require public housing providers to make changes to rules, policies and procedures, as a reasonable accommodation, if such changes are necessary to enable a person with a disability to have equal access to, and enjoyment of, their housing. Please note that such changes must be medically necessary as a result of the person's disability as opposed to a change that merely benefits the individual.
Please specify on the enclosed Verification of Need form the accommodation that you recommend for the above-named person. Also, indicate whether you believe the individual has a disability with the definition provided and whether the accommodation is necessary and would achieve its stated purpose. You may also add or provide additional information that would be helpful in making the appropriate accommodation for this person.
This form should not be used to discuss the person's specific disability or diagnosis or any other information that is not directly relevant to the request for an accommodation; however, it is important to be as specific as possible about this individual's housing needs as they relate to their disability so that we may provide the most appropriate response.
The individual requesting the accommodation has signed a Release of Information form (enclosed) allowing you to provide the information necessary to assist us in making our determination. If you have any questions feel free to contact me at (206) 574-1351.
Sincerely,
Ron Ovadenko Section 504 Coordinator
