

COVID-19 Vaccine Religious Exemption Request

This form is part of the process to evaluate requests for religious exemptions from the King County Housing Authority (“KCHA”) COVID-19 vaccination requirement. It should be filled out by all employees and job applicants who have received a contingent offer of employment who are requesting a religious exemption. After the form is filled out by the employee/job applicant, KCHA will evaluate the responses and determine whether any additional information is needed to decide whether an exemption will be granted. If an exemption is granted, the next step will be for KCHA to determine whether there is a reasonable accommodation that would enable the employee/job applicant to perform their job duties without an undue hardship on KCHA. When this form is completed, please return it to HRCOVIDOPS@KCHA.org.
