## REQUEST TO CHANGE WAITING LIST SELECTION

Information about our properties can be found at [www.kcha.org](http://www.kcha.org)

You will only be offered housing in the location(s) that you select. You will be offered a unit in whichever property has a vacancy first, when your name reaches the top of that waiting list. Select only the properties that have units with a bedroom size that meets your needs. Waiting list choices cannot be ranked in order of applicant preference.

**Remove from Waiting List(s):** Complete this section if you wish to remove yourself from one or more waiting lists.

☐ Remove my application from **ALL** Subsidized Housing waiting lists. This will withdraw you from all waiting lists and you will no longer have an active application with the Subsidized Housing program.

☐ Remove my application from the following waiting lists. This will only withdraw you from the waiting lists you choose here. You will remain on all other waiting lists for the Subsidized Housing program.

---

**Add to Waiting List(s):** Complete this section to be placed on the waiting list for more properties. Your application date for these properties will be the date we receive this change, unless this change is because of a Reasonable Accommodation or change in your household's bedroom size.

To select the additional properties you want, please check the box next to each property name on the enclosed property list. Return that list with this form.

I certify that the information given above is true and correct to the best of my knowledge and belief. I understand that I must report, in writing, any changes in my family composition. I am aware that misrepresentation to the Housing Authority of my family's circumstances is considered fraud and is cause for the termination of my housing application.

**NOTE:**

- We do not maintain separate waiting lists for studios and 1-bedroom units. If you are on the waiting list for a 1-bedroom unit, you may be offered a studio.
- The number shown under the bedroom sizes on the tables below represents the number of units of that particular bedroom size at that property (i.e., there are three 1-bedroom units, 16 2-bedroom units, 21 3-bedroom units, 8 4-bedroom units and 2 5-bedroom units at Burndale Homes). Please be aware that waiting times for lists with few units of a particular bedroom size may be longer than our general average waiting time.

**To select the properties you want, please check the box next to each property name.**
