RAD Overview

What is **RAD**?

Rental Assistance Demonstration (RAD)

A program created by the U.S. Department of **Housing and Urban Development** (HUD) that gives public housing authorities new flexibility to preserve and improve public housing properties like yours.

How does **RAD** work?

RAD changes the **source** of rental assistance from **public housing** to **Section 8** project-based vouchers

How does **RAD** work?

RAD changes the **source** of rental assistance from **public housing** to **Section 8** project-based vouchers

Over **500** Public Housing Authorities across the country have completed **RAD** conversions.

1,878 projects

259,476 housing units

588,000 residents

Residents **retain their housing,** affordable rent, and tenant protections.

Most residents' **rent will not change** because of RAD.

Residents keep their **same rights** and resident protections.

After living in a RAD unit for 12 months, residents have the option of requesting a **Tenant-Based Voucher** to relocate anywhere in the country that accepts Section 8 vouchers.

Choice Mobility (Tenant-Based Voucher)

- New resident right to request a **Tenant-Based Voucher**, a form of rental assistance that moves with the tenant.
- Residents can move to the near top of the waiting list for a Tenant-Based Voucher after living in a RAD unit for 1 year.
- Resident that choose to take a tenant-based voucher and move out of Brookside could pay more in rent.

For more information, see HUD's **RAD Fact Sheet #12 – Choice Mobility**

Why convert to the Section 8 program through RAD?

Public Housing Funding Has Dropped While Section 8 Funding Has Responded to Cover Rising Needs

Percent change in funding since 2000, adjusted for inflation

Funding for the public housing program hasn't kept up with the costs to operate the program

Applying for RAD

KCHA must apply to participate in the RAD program.

- If Brookside is accepted into the RAD program, then we will start a “RAD conversion.”
- This means that the funding for your rental assistance will change from traditional **public housing** to a **Section 8 project-based voucher**.

Converting to **RAD** means that KCHA can continue to invest in repairs and improvements to Brookside.

KCHA's plan for Brookside

KCHA's plan for your apartment building

Our plan for **Brookside** is a “**subsidy only conversion**” also referred to as a “**No debt RAD Conversion**”.

This means that KCHA is shifting our funding for Brookside from traditional public housing to the Section 8 program without taking on new debt or undertaking major renovation or improvements as part of the RAD conversion.

KCHA's plan for your building (continued)

KCHA's plan for Brookside:

- Will **not** include any major renovations to your property
- Will **not** transfer rental assistance from Brookside to another
- Will **not** partner with a developer or any other entity
- Will **not** affect your eligibility for rental assistance
- **May** require you to temporarily move out of your unit for KCHA to complete required repairs.

We **don't** think any residents at Brookside will need to temporarily relocate.

KCHA's plan for your building (continued)

Our plan is to simply change **Brookside's** primary source of federal funding from public housing to Section 8 rental assistance through RAD.

Note: **These plans may change.** As we develop the plans, we will consider:

- The opinions of residents
- An independent professional's analysis of what needs to be repaired
- The long-term cost to maintain the property
- The financing we may be able to get

Resident Protections and Relocation

Resident Rights under RAD

- **Right to Information:** Residents have the right to hear about major changes in the plans for the project.
- **Right to Remain:** Residents in good standing at the public housing property have the right to continue living there after the RAD conversion.
- **Right to Return:** If relocation is necessary due to construction or repairs, residents have the right to return to an assisted unit without rescreening.
- **Affordable Rent:** Rent will continue to be based on adjusted household income.
- **Right to Organize:** Residents retain the right to form and participate in resident organizations.

Resident Rights under RAD (continued)

- **Choice-Mobility:** Residents have the option to request a tenant-based voucher (mobility voucher) after living in a RAD unit for one year.
- **No Rescreening:** Residents are not subject to rescreening as a result of the conversion.
- **Lease Protections:** Lease renewal is mandated, and eviction without just cause is prohibited.
- **Grievance Procedures:** Residents have access to established termination and grievance procedures.
- **Other Protections:** This includes consultation rights, enhanced relocation protections, and the right to request reasonable accommodations.

Relocation

- Our renovation plans for Brookside will not require you to move out of your unit.
- The first draft of the property inspection report was positive, and indicates that you will be able to remain in your unit through the repairs and renovation.

Relocation (continued)

- If relocation is necessary, KCHA must provide residents with:
 - Advanced written notice
 - Moving assistance
 - Benefits and assistance per the Uniform Relocation Assistance and Real Property Acquisition Policies Act (URA)
- KCHA will maintain a resident log for all impacted residents
- **No resident can be displaced permanently against their wishes.**

What you need to know about RAD

Our **RAD** conversion plan will not change your experience of living at your apartment building

- The rent you pay under RAD will be calculated based on adjusted annual household income, like it is now under the public housing program.
- KCHA will still own your building.
- Brookside management and maintenance team will not change.
- You will keep your housing assistance, but the funding source of that assistance will change.
- You won't need to be re-screened and there are no additional eligibility requirements.
- You **may** need to temporarily relocate for KCHA to complete required repairs or renovation.
- You will need to stay in good standing with your current lease.
- You will need to sign a new lease.

Lease Transition

As part of the RAD conversion process your public housing lease will end and you will need to sign a new lease.

- The terms of the new lease will be similar to your current lease.
- In addition to your new lease, you will also need to sign a **RAD Lease Addendum**, which will include RAD's resident procedural rights.
