# RAD Overview

# What is **RAD**?

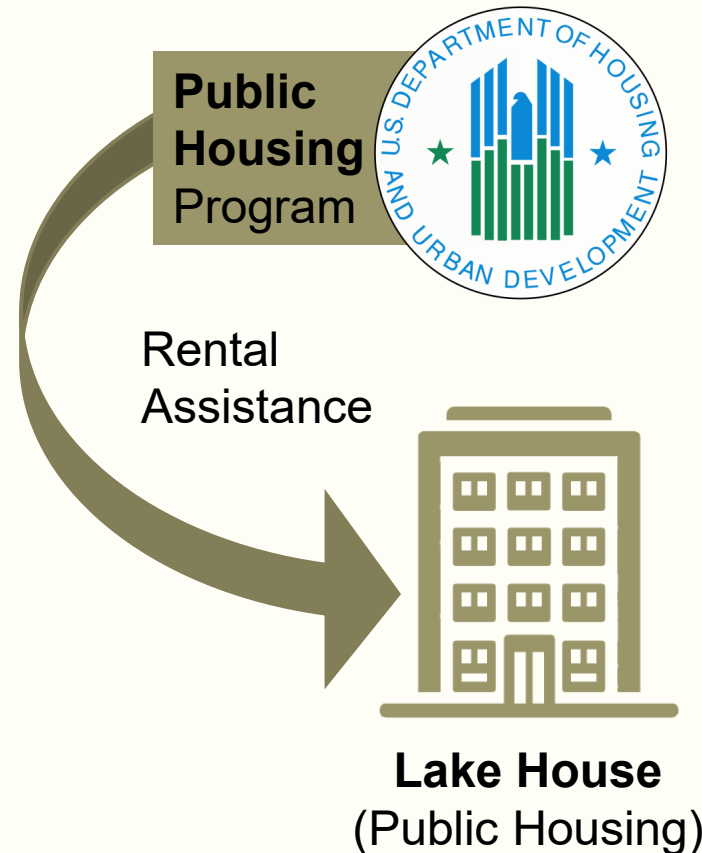

Rental **Assistance Demonstration (RAD)**

A program created by the U.S. Department of **Housing and Urban Development (HUD)** that gives public housing authorities new flexibility to preserve and improve public housing properties like yours.

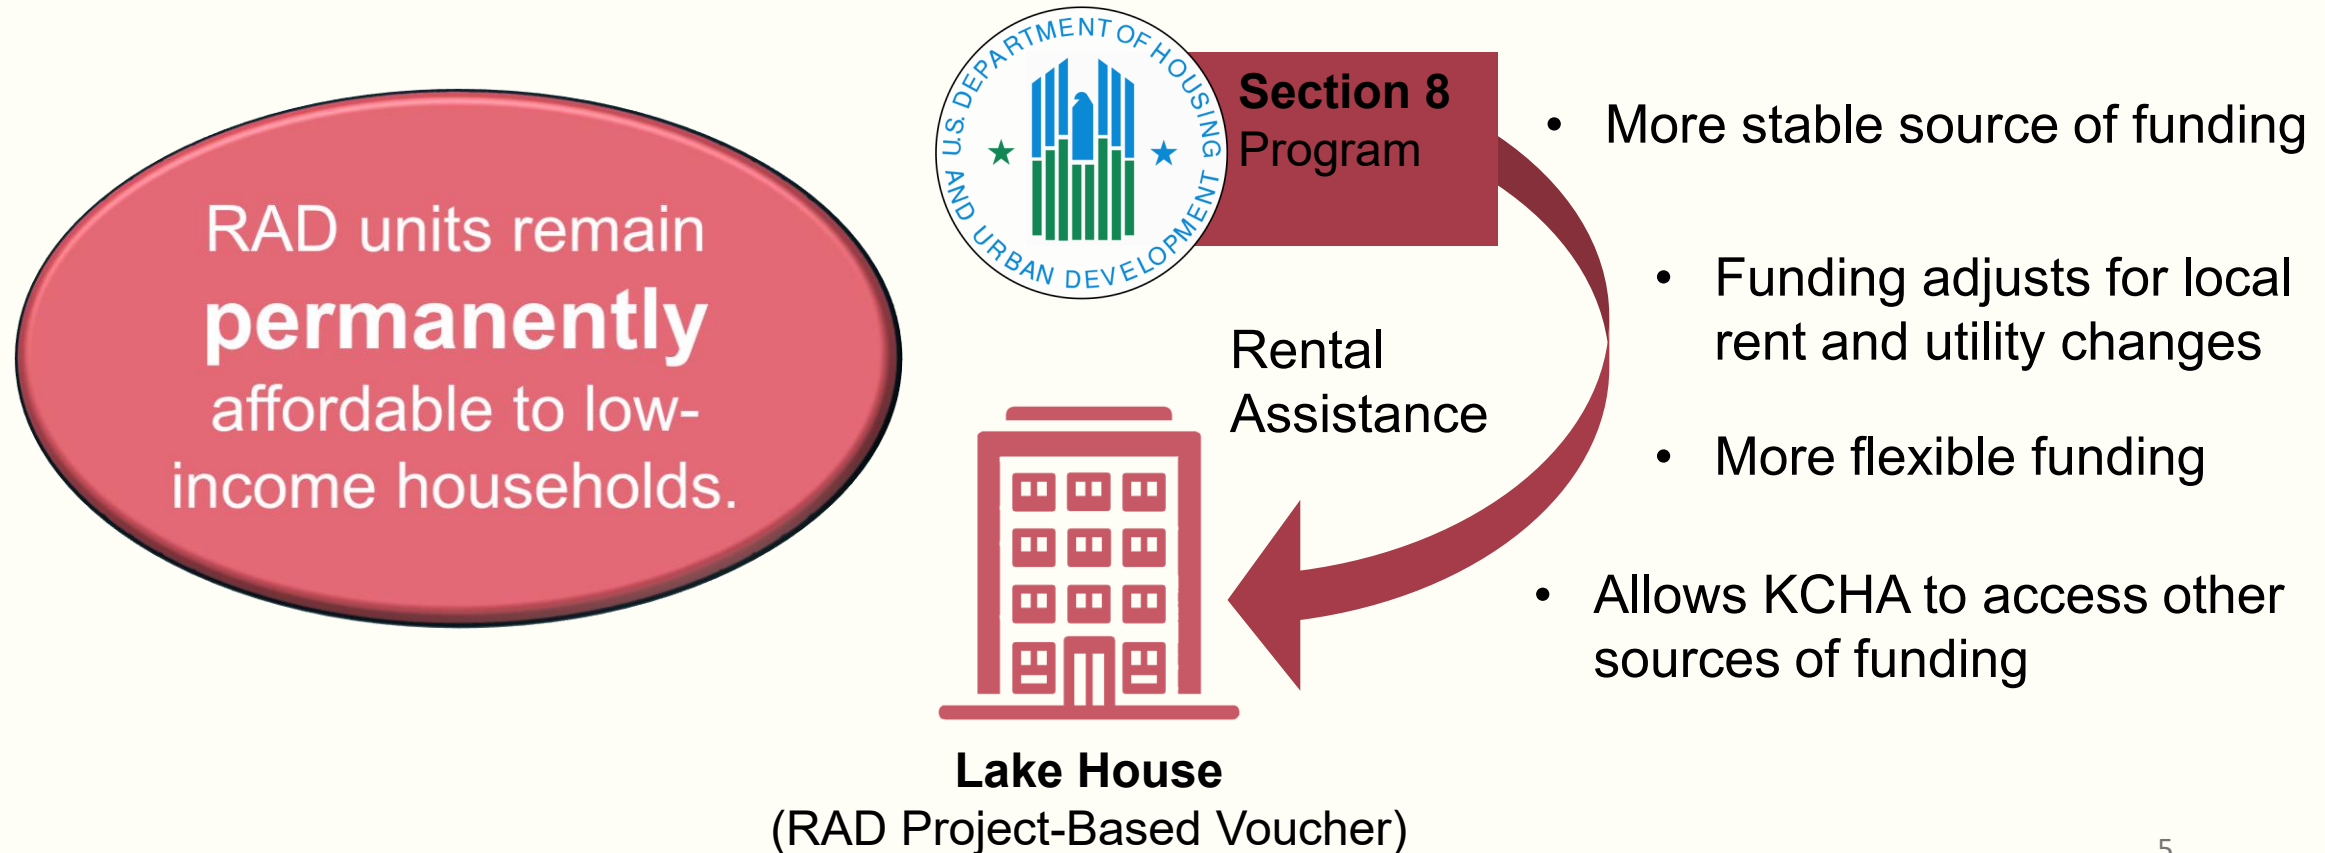

# How does **RAD** work?

RAD changes the **source** of rental assistance from **public housing** to **Section 8** project-based vouchers

# How does **RAD** work?

RAD changes the **source** of rental assistance from **public housing** to **Section 8** project-based vouchers

# Why convert to the Section 8 Program?

# Public Housing Funding Has Dropped While Section 8 Funding Has Responded to Cover Rising Needs

Percent change in funding since 2000, adjusted for inflation

Funding for the public housing program hasn't kept up with the costs to operate the program

Converting to **RAD** means that KCHA can continue to invest in repairs and improvements to your apartment building.

Residents **retain their housing,** affordable rent and tenant protections.

Most residents **rent will not change** because of RAD.

Residents keep their **same rights** and resident protections.

After 12 months residents may choose to take a **Tenant-Based Voucher** and relocate anywhere in the country that accepts Section 8 vouchers.

# KCHA's Plan For Lake House

# KCHA's plan for Lake House

Our plan for your apartment building is a “**straight conversion**” also referred to as a “**subsidy only conversion**”.

This means that KCHA is shifting our existing public housing funding for your apartment building to the Section 8 program without taking on new debt or undertaking major renovation or improvements as part of the RAD conversion.

# KCHA's plan for Lake House (continued)

## KCHA's plan for your apartment building:

- Will **not** include any major renovations to your property
- Will **not** transfer rental assistance from your property to another
- Will **not** partner with a developer or any other entity
- Will **not** affect your eligibility for rental assistance
- Will **not** require you to temporarily move out of your unit

Our final property inspection report **doesn't** list any repairs that would require temporary relocation!

# KCHA's plan for Lake House (continued)

Our plan is to simply change **your apartment building's** primary source of federal funding from public housing to Section 8 rental assistance through RAD.

  - Advanced written notice
  - Moving assistance
  - Benefits and assistance per the “Uniform Relocation Assistance and Real Property Acquisition Policies Act (URA)”
- **No resident will be permanently, involuntarily displaced**

# What You Need to Know About RAD

# Our **RAD** conversion plan will not change your experience of living at your apartment building

- The rent you pay under RAD will be calculated based on adjusted annual household income, like it is now under the public housing program.
- KCHA will still own your building.
- Your property management and maintenance team will not change.
- You will keep your housing assistance, but the funding source of that assistance will change.
- You won't need to be re-screened and there are no additional eligibility requirements.
- You won't need to temporarily relocate for KCHA to complete required repairs
- You will need to stay in good standing with your current lease.
- You will need to sign a new lease.

# What **RAD** means for KCHA

- Resident stability
- Preservation of affordable housing
- More stable and flexible funding
- Choice mobility for residents
- Keeping our building up to date with repairs and improvements
